

Borrowing Policy

POLICY: It is the policy of the Norfolk Public Library (NPL) to provide town residents and others, who possess a valid SAILS borrowing card, the opportunity to borrow books, periodicals, videos, equipment, and other materials from its collection and those of other libraries available through the SAILS Enterprise Online Catalog and Commonwealth Catalog.

DEFINITIONS:

Equipment: all items other than books, periodicals, optical media, passes, and bakeware available for loan from the Norfolk Public Library.

SAILS: a non-profit, private incorporation, funded by member libraries, government and state grants, and private grants that runs and supports the Enterprise Online Catalog and Circulation systems for 70 libraries and branches throughout 39 communities in Southeastern Massachusetts.

PROCEDURE:

1. Individuals who wish to borrow materials from the NPL, through the SAILS system and the Commonwealth Catalogue, must possess a valid SAILS library card and have a SAILS account.
2. Borrowers must present their own personal library card in order to borrow materials. An exception is made for borrowers who have forgotten their library card. In this case, item(s) may be borrowed upon presentation of a valid school or government-issued identification card. Should a borrower misplace their SAILS card, items placed on hold will be retained at the desk for 24 hours, after which items are returned to the collection or lending library.
3. The NPL creates two types of accounts: individual and institutional. Family members will be linked.
4. A person 15 years of age and under may obtain an individual account and card. The parent/guardian will need to complete an application (Appendix IV) on their behalf. This card is then linked to the parent/guardian account and their sibling.
5. A person 16 years of age or older may obtain an individual account and card by completing an application (Appendix IV) that contains legal name, residential mailing address, and telephone number. They shall also provide a valid photo identification and proof of current street address. See Appendix III for list of acceptable forms of ID and proof of address. A parent/guardian can obtain a card for an individual by completing this process. This card is then linked to the person's parent/guardian and their siblings.
6. The prospective patron may apply for a library card in person at the NPL circulation Desk or fill out an online application by visiting: <https://sailsinc.org/my-account/quipuform-eng/> to gain access to electronic materials and to place up to 5 holds. E-cards expire after one year. An e-card may not be used for borrowing physical library items, Stuffbrary items, or museum passes. The prospective patron can come to NPL with a valid ID to obtain a permanent card. Minors without ID will need their parent or guardian to obtain their permanent card. Applicants whose addresses cannot be verified by the Quipu system will

receive a card that is good for 3 weeks.

7. Individuals who reside in short/long term care facilities or custodial institutions, to include but not limited to group homes and correctional institutions, may not obtain an individual SAILS account and card. However these individuals may borrow materials using an institutional library card if the organization which is responsible for their care and custody has an institutional account.
8. A staff member of an organization that operates a residential facility may obtain an institutional account and card by completing an application and providing a document on organizational letterhead which is signed by its chief executive officer or designee as well as an organizational photo identification card. The staff member must complete this process in person at the NPL circulation desk.
9. A person's individual library card and account number is for the sole use of the person to whom it was issued and should not be shared with anyone else.
10. The NPL imposes no charges on patrons for the withdrawal of library books and other materials or for any other normal library services. However out-of-state residents shall be assessed an annual fee of \$75 to access and use the SAILS system.
11. Reserves are accepted for all circulating materials and the Stuffbrary collection except for Marquee Movies. Items must be picked up and returned at NPL and cannot be put in delivery. Some items are only able to be reserved by Norfolk patrons (board games, puzzles, e-games, and Vox books).
12. Books, music discs, audiobooks, and DVDs (with the exception of New DVDs and Marquee Movies), may be renewed once for an additional 2- or 4-week period for account in good standing unless the item is needed for reserve. Other items cannot be renewed. Renewals may be made in person, by telephone, or via the Online Catalog. Overdue materials that have reached the maximum fine cannot be renewed. Items eligible for renewal are automatically renewed if no holds are pending.
13. The periods of time and conditions, if applicable, for and under which materials may be borrowed are listed in Appendix I.
14. It is the expectation of the NPL that materials that are borrowed shall be returned by the due date. Privileges for linked accounts may be suspended when any linked account is blocked due to unreturned items that are more than 30 days past due. New SAILS cards are not issued to additional family members until all accounts are cleared. Individuals or institutions who have charges of \$10 or more forfeit borrowing privileges until the past due account is settled or until satisfactory payment arrangements have been made. The extension of payment arrangements is at the sole discretion of the Library Director.
15. E-Reader devices, wireless hot spots, and items from the Stuffbrary collection can be reserved online for up to two weeks, cannot be renewed, and must be returned in-person to the Circulation Desk in order to protect them from damage. Patrons who return items via the drop slot shall be subject to a \$5 fine for each item and any additional cost that may be incurred due to damage to an item, up to and including replacement costs. If patrons from the same household have made reservations that are consecutive, the item must still be returned to the library for inspection by NPL staff. Any Stuffbrary items that are not picked up within 48 hours of the reservation start date will be released for another patron to check out. For example, if a Monday reservation is not picked up by close of business on Tuesday the item will be released.
16. For those persons who borrow materials using an institutional library card, fines for overdue items will not be assessed against the institutional account. However the organization whose card was used to borrow the materials shall be responsible for paying required charges for items that are lost or damaged.
17. Equipment is used at the sole risk of the borrower. The Library makes no representation or

warranty as to the fitness for use or condition of equipment items. Borrowers are responsible to read and abide by all manufacturer's recommendations, warnings, and instructions for use.

18. Equipment must be returned to the Norfolk Public Library circulation desk, intact, clean, and in working order, along with all accessory items, parts, manuals, packaging and other materials provided when the item was borrowed.
19. Equipment returned inoperable, unclean, or missing parts or packaging, will be assessed fees as set forth in this policy. In case of damage or loss, borrowers agree to pay the reasonable repair or replacement cost of the item.
20. Borrowers of Stuffbrary equipment must be 18+ years old to make a reservation and sign a Liability Waiver. The Liability Waiver can be found in Appendix II.
21. The Library Card Application in Appendix IV.
